Dear Alf

Thank you for helping to make our dinner on 12th April 2009 a success. Everyone agreed that the evening was *piacevolissima*. The food was well served and the service efficient.

I have pleasure in informing you that the full *relazione conviviale* was sent to the Accademia in Milano and I am happy to advise that overall we had a favourable visit.

It is the Accademia's normal procedure to write to the restaurant in question directly after the publication of the report in the magazine.

Again we thank you for your assistance in ensuring that a good time was had by all.

Yours sincerely

Francesca Portelli
